$$f(x) = \frac{1}{x} \text{ over } [1, +\infty]$$

$$V = \pi \int_1^{+\infty} \frac{1}{x^2} dx = \pi \lim_{b \rightarrow +\infty} \left[ \frac{-1}{x} \right]_1^b = \pi \lim_{b \rightarrow +\infty} \left( \frac{-1}{b} + 1 \right) = \pi$$
