Oefeningenreeks 2E nr. 26.3

$$\log_x 3 = \log_3 x$$

$$\Leftrightarrow \frac{\ln 3}{\ln x} = \frac{\ln x}{\ln 3}$$

$$\Leftrightarrow (\ln 3)^2 = (\ln x)^2$$

$$\Leftrightarrow \ln 3 = \pm \ln x$$

$$\Leftrightarrow x = 3 \text{ of } x = \frac{1}{3}$$
